**Notice of Decision: Amendment to the Quinte West Heritage Register**

**RE: 62 County Road 5  
Part of Lot 19, Concession 5  
Geographic Township of Murray, now City of Quinte West  
Owner: Boy Scouts of Canada**

**Notice of Decision:**

In the Matter of the Ontario Heritage Act, R.S.O. 1990, and the  
Corporation of the City of Quinte West, Province of Ontario

**Take notice that** on January 11, 2021, the Council for the Corporation of the City of Quinte West, having considered a request to Amend the Municipal Heritage Register, decided to:

- Approve, in accordance with Part IV, Section 27 of the Ontario Heritage Act, the request to amend the Heritage Register by adding the property at 62 County Road 5 as a non-designated, listed property of cultural heritage value or interest.

More specifically, the property is described as:

- LT 19 PL 38 MURRAY; PT LT 19 CON 5 MURRAY AS IN CL46229; QUINTE WEST

The Heritage Register recognizes properties in the community, and promotes knowledge and understanding of their cultural heritage value. It provides easily accessible information for property owners, the tourism industry, educators, and the general public. It also provides interim protection for listed properties by providing a 60-day review period for demolition permit applications.

This review period allows City Staff to examine the possible historical significance of a property before a decision on a demolition request is made.

Being listed on the Quinte West Heritage Register does not designate your property under the Ontario Heritage Act. No heritage permits are required for alterations to the property, and there are no legal restrictions listed on title.

Should you have any questions regarding the proposal, please do not hesitate to contact the undersigned at (613) 392-2841 quoting file number R01/CO/20.

Yours truly,
