WOOLER SCHOOL

Wooler and Area Community Organization

We have a \$1,000,000 federal grant but we need to raise \$250,000 to fully access these funds.

We have raised over \$80,500 so far and invested over 1,200 volunteer hours in the Schoolhouse.

We need your help!

Give early and triple the impact of your contribution through our grant rebates!

We get 80% of investments back through rebates and can reinvest those rebates up to three times.

Imagine the impact of a contribution from your business..

Local and affordable access to recreation programs.

Unique spaces for family and community events supported by a large modern kitchen.

A destination for seasonal markets, craft shows, art and music events, supported by 48 parking spaces and modern amenities.

Proposed Schoolhouse addition to provide an elevator, exit stairs, and a new entrance - improving building accessibility and safety.

We will ensure your support is publicly acknowledged so you can claim your contribution as an advertising or promotional expense for your business.

Trustee - \$10,000 +

Your name/logo displayed on the top level of the Schoolhouse Donor Wall.

Your name/logo on WACO's virtual (website) Donor Wall, linked to your platforms.
